Today following the Legacy of my ancestors presents them this exclusive Malbec, carefully kept by 18 months in oak casks Francés and 6 months in bottle, of red intense color with shades violáceos.

Their intense aromas of red fruits well mature, they renew my childhood memories and emerge the notes of vanilla and chocolate that contribute the wood. Firm Tannins, a wide entry in the mouth, adequate structure and a sumptuous end, invites you to enjoy this wine, a legacy of my family. Jorge Oliveri.
